

# Configure Connection

Error while trying to connect to <http://extranet.ecole-estienne.ac-paris.fr/pydio> :

- Authentication failed: please verify your login and password

Connect to the server with the same URL as the one you would use to access through a web browser, e.g. <http://mydomain.com/pydio>

HTTPS

HTTP

<http://>

Tips: [where can I find the server URL?](#)

CONNECT
