### History

#### #1 - 09/10/2014 05:32 PM - Joël Cuissinat

- Parent task set to #8827

#### #2 - 10/27/2014 10:08 AM - Benjamin Bohard

- Estimated time set to 2.00 h

- Remaining (hours) set to 2.0

#### #3 - 10/30/2014 05:06 PM - Ghislain Loaec

- Status changed from Nouveau to Ne sera pas résolu

- Assigned To set to Ghislain Loaec

- Start date set to 10/30/2014

- % Done changed from 0 to 100

- Remaining (hours) changed from 2.0 to 0.0

Pour arrêter "eoleapps", il faut utiliser le script dédié :

```
/etc/init.d/eoleapps stop
```

Peut être cependant dans cas songer à renommer "eoleflask" en "eoleadmin".
